

Use the graph above to create a story that directly pertains to the information in the graph. Use the nine sections on the following page to depict each different slope for your graph.

Be sure to:

- create a title
- label your x and y axis,
- number the scale on each axis
- include the time and distance for each part of your story

A: _____

Time: _____ Distance: _____

B: _____

Time: _____ Distance: _____

C: _____

Time: _____ Distance: _____

D: _____

Time: _____ Distance: _____

E: _____

Time: _____ Distance: _____

F _____

Time: _____ Distance: _____

G _____

Time: _____ Distance: _____

H _____

Time: _____ Distance: _____

J _____

Time: _____ Distance: _____

Time: _____ Distance: _____
